Compost Drop-Off: It's free for small events! Check out the guidelines for compost on our website. Guidelines change based on regulations of commercial compost facilities. Let us know you will be participating and we will give you the combination to the tote behind the post office building (130 W 5th).

Recycle Drop-Off: Free! Take it to the Lake County landfill and recycling center, CR 6, 2 miles outside of Leadville. The Drop-site is open 8:00 - 4:00 pm, Friday - Tuesday. Items must be sorted. For a complete list of what is accepted: <http://cloudcityconservation.org/recycle/recycle-everything/>

Did you buy bags? For recycle bins, **bags should be clear, 55 gallon**. Clear Stream Bags are a good option. For compost bins, bags must be compostable and BPI certified. Try Eco Products 55 Gallon Compostable Can Liner. We have a limited amount in stock at C4, available for purchase, \$2 each.
