Quantity _____

How many Trash Bins would you like to rent? Trash bins fold up and are easily portable in most vehicles. They are black and the lid says "Trash Only". Rental is free.

Quantity _____

Compost Drop-Off: It's free for small events! Check out the guidelines for compost on our web-site. Guidelines change based on regulations of commercial compost facilities. Let us know you will be participating and we will give you the combination to the toter behind the post office building (130 W 5th) to drop off commercially compostable bags.

Recycle Drop-Off: Free! Take it to the Lake County landfill and recycling center, CR 6, 2 miles outside of Leadville. The Drop-site is open 8:00 - 4:00 pm, Friday - Tuesday. Items must be sorted. For a complete list of what is accepted: <http://cloudcityconservation.org/recycle/lake-county/>

Did you buy bags? For recycle bins, bags should be clear, 55 gallon. Clear Stream Bags are a good option. For compost bins, bags must be compostable and BPI certified. Try Eco Products 55 Gallon Compostable Can Liner. We have a limited amount in stock at C4.
