

Application form: Cloud city Farm Intern

Join the **C4** team as an Intern and work growing food for our community. Cloud City Farm will allow students to gain experience as farmers, volunteer managers, and entrepreneurs through a sustainable food operation that directly benefits our community. Students will help coordinate all garden and food-related projects including production, produce sales, marketing, and outreach. Cloud City Farm Interns will contribute to food production activities including sowing seeds, irrigating, weeding, composting, harvesting, processing, and marketing.

Apply by Friday, May 12

- Make sure you can commit to work 10 hours per week (within 2 days/week) for the duration of the 5 months from June 5th – October 5th, 2017.
- Please fill out the Intern application form neatly and in complete sentences
- Get two people to fill out your reference forms
- Return your complete application to 130 W. 5th St. room 121 (Post Office building)
- If you have any questions, call, email or text Kendra @ 719 293-5334 kendra@cloudcityconservation.org

*Applications due **Sunday, April 23** – please return applications to C4 office*
