

Compost Sign-up Form 2018

This program runs on the honor system. Please help us keep this service open to the public by following the rules below. Once you have completed this form and agreed to the rules of the program, we will send you the lock code.

How it works:

Community Composting Program Participants will have 24-7 access to deposit materials in the Earth Tub composter at the Cloud City Farm, 440 McWethy. C4 staff will monitor and operate the Earth Tub to ensure proper composting. Participants will maintain communication with C4 to support the safe and healthy operation of the Earth Tub. C4 reserves the right to charge a fee for this service in the future.

By completing and submitting this form, I agree to follow the rules of the Cloud City Farm Composting Program and I understand that if I do not follow the rules, I will lose my privileges of being part of the program.

- I will only deposit compostable materials on the DO INCLUDE list below.
- I will not deposit any of the items on the DO NOT INCLUDE list below.
- I will limit my deposits to 2 gallons per week.
- I will not share the pad lock combination with anyone outside of my family but will encourage others to sign up at www.c4leadville.org/recycle/compost.
- I will only deposit compostable materials inside the Earth Tub, No trash.
- If I have any troubles with the Earth Tub, or see anything unusual, I will report it to kendra@C4Leadville.org.
- I promise to never attempt to operate the Earth Tub motor.

Please DO INCLUDE:

- Vegetable and Fruit scraps, egg shells, coffee grounds, small amounts of meat and dairy (5% total weight), chemical-free grass clippings, leaves, or non-woody yard waste cut into pieces smaller than 3 inches.
- Cut things into pieces as much as possible. Long fibers bind up the auger. The greater the surface area, the faster the composting!

Please DO NOT INCLUDE:

- Bones, large quantities or pieces of meat
- Fats or oils
- Whole pieces of fruit and veggies, cut them up first
- Woody yard waste, weed seeds or roots
- Long pieces of grass or other fibrous plant material
- **Those little stickers on the produce**
- Plates, cups or cutlery that say compostable. (They need a larger facility to actually breakdown.)
